BLUE FIRE Micro

Your ideal table top solution

The BLUE FIRE Micro is a member of the BLUE FIRE kiosk line, that got rewarded with the Red Dot Design Award. Designed as a table top kiosk, with minimal footprint, the Micro is ideal as a self-order, pre-order, pickup, ticketing, registration kiosk or self-payment terminal for restaurants, stores and businesses.

The BLUE FIRE Micro is the ideal kiosk for restaurants, QSR, Takeaway, Petrol stations and businesses. Even with it's small size, it is as flexible as it gets. The three different models can be equipped with various hardware components, depending on the functional requirements for your business.

Benefits of the BLUE FIRE Micro:

- Touch screen: 15" & 22" portrait and landscape
- Hardware options: Printer, Scanner, NFC, Chip + Pin
- Very small footprint that is adaptable for every business
- Ideal for integration in an omni-channel strategy
- Branding & Signing options
